

# USPPA Instructor Administrator Commitment

**I understand that the Instructor Administrator rating is the most important rating the USPPA offers. I recognize that Instructor Administrators are expected to be exemplary ambassadors for the sport and the USPPA.**

As an Instructor Administrator, I commit to the following:

1. I commit to understand and follow USPPA training directives, training standards, and guidelines as detailed, updated, and communicated by the USPPA training committee.
2. I commit to participating in the Semiannual Instructor Administrator Roundtable (Required to attend a minimum of once every two years).
3. I commit to giving at least 1 instructor clinic per year that accepts any qualified applicant regardless of brand or school affiliation.
4. I commit to remaining active as an instructor by issuing a minimum of 15 ratings (PPG, PG, etc) per year (may be waived by the training committee for extenuating circumstances).
5. I commit to maintaining a high level of expertise in the industry by staying up to date with industry trends and news.
6. I commit to sharing information about PPG incidents and other safety-related subjects. I will share relevant information on the USPPA incident database or with the accident investigation team.
7. I commit to maintaining a positive reputation in the industry for my professional conduct, honesty, integrity, and safety.
8. I commit to being an effective Instructor Administrator without allowing my personal biases and/or business interests to get in the way of accomplishing the overall responsibilities of this role.
9. I commit to being actively engaged with the Training Committee and with other Instructor Administrators to share my skills and knowledge and to provide relevant feedback.
10. I commit to only giving instructor/tandem ratings to individuals that are fully qualified and have met, or exceeded, all of the minimum requirements.
11. I commit to conducting my personal flying, training programs and business operations in a manner that does not attract unfavorable publicity or negative reputation for myself, the USPPA, or powered paragliding in general.
12. I understand that this rating is subject to annual review by the USPPA training committee. If I fail to act in accordance with these commitments or if there are complaints or instances of noncompliance, this may result in a warning letter, temporary suspension, or revocation of the rating(s) according to Article VII, Section 6 of the USPPA bylaws.
